

RAP48-CC Space Saver™ Series Air Scrubber

- ◆ Designed for 24 hour – always on operation
- ◆ Captures VOCs and odors
- ◆ Pre-filter removes particulate to 10 microns
- ◆ Creates full room, ceiling-to-floor laminar air flow pattern
- ◆ Clean all the air in a 20x40x9 room in 4 minutes on high speed
- ◆ Portable - moves easily on 2-1/4" diameter wheels

- ◆ Speed selectable from 500 CFM to 1800 CFM
- ◆ Easy servicing; no tools required
- ◆ Powder coated steel to resist chemicals and for easy cleaning
- ◆ Quiet operation: Faint (normal private office noise) on low speed
- ◆ The Simple Solution

The RAP48-CC Space Saver™ Series Air Scrubber is cylindrical in shape and is designed to remove gases and odors from your indoor air. This Radial Scrub Unit is a ductless, re-circulating scrubber with built-in casters so it can be easily rolled around. It has a 360 degree air-in draw through 23 square feet of grill area. The RAP48-CC uses a **Two Stage** filtration process. The **First Stage** filters the air of dust particulate down to 10 microns in size via a pre-filter. The **Second Stage** is a deep bed carbon filter which removes VOCs and other gases and odors from the air. The scrubbed air is ejected out the top of the unit to the ceiling to create a room-wide ceiling-to-floor laminar air flow pattern. No costly ductwork is required. The small footprint for this model allows it to be placed in areas where open floor space is limited.

Air Flow and Mechanical:

Air Flow Selector	500 – 1800 CFM
Replaceable pre-filter - collects particles to 10 microns	yes
Replaceable/Refillable carbon cartridges for gas removal	2
Casters allow easy placement and removal	yes
Sound level (at 500 CFM / 1800 CFM at 1 meter)	50dB / 64dB

Electrical:

UL / CSA / CS listed blower powered by split capacitor motor	1
Continuous duty rated unit should be run 24 hours	yes
Internal thermal protection	yes
Power cord length - ft. (additional lengths up to 20' available)	6'
Voltage / Amps	115VAC / 60Hz / 3.6 amps

Dimensions and Weights:

Height / Diameter	62" / 22"
Carbon content (carbon #100) - total	105lbs.
Operating Weight	176 lbs.
